

Turn NRI Page's community reach into a connected growth system.

A focused SoTech discovery call can identify the highest-ROI upgrades across traffic, advertisers, user experience, automation, and analytics.

Where SoTech helps

Cleaner digital systems for community media growth.

Built for portals with content, local listings, community events, advertisers, and recurring audience engagement.

01 Audience Growth

SEO for city, event, article, and community pages. Social distribution for events/news. Email and newsletter growth.

02 Advertiser Revenue

Sponsor packages, media kit, ad inquiry funnels, retargeting, and campaign tracking.

03 Platform Experience

Mobile-first UX cleanup, better event/classified submission flows, faster pages, and clearer navigation.

04 Automation + Analytics

CRM for advertisers/vendors, AI-assisted content workflows, and a dashboard for traffic, leads, and advertiser performance.

Let's map the highest-ROI upgrades in a 30-minute discovery call.
